About WILFRED'S

In the suburbs of Mumbai, there is an institution that is creating an ideal place for tech savvy students and gain knowledge and experience in the field of Information Technology and Computer Science. The Wilfred's Group of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to build responsible citizens.

Established in the year 2000 in Jaipur, Rajasthan, with a mission to redefine the system of education, St Wilfred's Education Society is a professionally managed and multi-disciplinary hub of knowledge. Its premiere educational institutes conduct university accredited and autonomous courses.

Training is imparted throughout the year. Projects and assignments are given highest importance and students learn on the job. Application-oriented knowledge, garnered in the lecture theatre, is applied to industry assignments.

At Wilfred's thousands of students and faculty are involved in delivering unique learning systems, through ultra-modern infrastructure and academic rigour. Wilfred's Institutes are affiliations to the University of Mumbai, Directorate of Technical Education, All India Council of Technical Education, Pharmacy Council of India and Bar Council of India.

There are several institutes spread across 4 cities in state of the art campuses located in Jaipur, Ajmer, Navi Mumbai and Thane.

Flower Arrangement Competition “ Blossoms of Creativity To encourage creativity, aesthetic sense, and artistic expression among students, **St. Wilfred’s College of Computer Sciences**, Mira Road, organized a **Flower Arrangement Competition** on **Friday, 26th September 2025**, at the college campus. The event was proudly powered by the **Cultural Committee “Sanskriti”**, which continues to promote cultural vibrancy and artistic talent within the institution.

The competition aimed to inspire students to explore the art of floral design, emphasizing color harmony, balance, and innovation. Participants beautifully transformed simple flowers into elegant arrangements that conveyed emotions, creativity, and skill. Each design reflected an individual interpretation of themes such as *Nature’s Beauty*, *Festive Harmony*, and *Bloom with Grace*.

Students participated with great enthusiasm and showcased their originality through stunning floral compositions using eco-friendly materials. The event not only provided a platform for artistic expression but also promoted teamwork, patience, and appreciation for natural beauty.

Under the esteemed guidance of **Dr. Keshav Badaya**, Secretary, St. Wilfred’s Education Society and Chancellor of Chhatrapati Shivaji Maharaj University, and **Dr. Shubhi Lal Agarwal**, Director, St. Wilfred’s College of Computer Sciences, the event was successfully coordinated by the **Cultural Committee “Sanskriti”**, led by **Assistant Professor Gayatri Pallan**, Cultural Head, with active support from faculty members and students.

Objectives of the Event:

- To encourage creativity and aesthetic appreciation among students.
- To provide a platform for showcasing artistic talents through flower arrangement.
- To develop a sense of teamwork, patience, and artistic coordination.
- To promote environmental awareness by using natural and eco-friendly materials.
- To foster cultural engagement and celebration within the college community.
